

Resurrection Summer Religious Education: 2018 Parent Covenant: Students in Grades K-8

1. The Catholic Church teaches that parents are the first and primary teachers of their children, and children learn best by example. As Catholics, we know that Mass is the most important part of our faith formation. Parents understand that they form their children in our Catholic faith as they worship together at Mass each weekend.
2. Parents understand that the summer program is a condensed learning experience. It is essential that students attend class every day during the summer session.
3. Parents will coordinate transportation for their students according to scheduled start and end times. Classes start @ 8:00 AM. Classes dismiss @ 12 Noon.
 - Students will arrive at Resurrection School no earlier than 7:50 AM
 - Children in K- 2nd grade must be picked up inside the building by a parent or guardian
4. Parents understand that there is a 15 minute break scheduled for each day. Parents are encouraged to send a water bottle and small snack that will not require refrigeration and does not contain nuts or nut products with their student for consumption during the 15 minute break. Water fountains are also available.
5. Parents will ensure that their students understand the simple discipline policy. We respect each other and maintain a positive learning environment for every student.
6. All parents are encouraged to support the summer program by:
 - Volunteering to assist as a classroom aide, hall monitor or other assistant during the session
 - Support their children by asking how they are doing with their classroom work and assisting the children by answering questions they might raise
 - Attending the special events during the summer session: Closing Family Mass on Thursday, June 21st at 11:00 AM.
