# The Resurrection Youth Leadership Team (YLT)

### The mission statement of Resurrection Parish:

*Be a Catholic Community that is a visible presence of Jesus.*

### The mission statement of the Youth Leadership Team:

*The Youth Leadership Team of Resurrection is working to be a visible presence of Jesus by serving our communities spiritual and social needs.*

### Youth Leadership Team Meetings:

In early August, YLT will meet for a team building and planning day.

At the team building day, the YLT members will discuss ways that they want to serve our parish and community over the coming year. In addition, we will discuss the types of service experiences we would like to participate in. At our monthly meetings YLT members will give feedback and input on what they would like to see at events going forward. Additional time may be required for committee planning a specific event a member is involved with.

### Youth Ministry High School Student Events:

High School events may include but are not limited to:

1. Parish Festival booth or activity - August
2. Confirmation Retreat – October
3. Food collection mass- November
4. Delivering gifts to elderly – December
5. Monthly events and Masses
6. Various stewardship projects as needs arise
7. Stations of the Cross the Wednesday of Holy Week
8. Summer Adventure/Water Park Trip
